

Presidents Message March 2010

I would like to take this opportunity to Welcome all of our New Members to the Endocrine Nurses Society and thank all of you whom have renewed your memberships.

I am pleased to notify you that we have a Membership Chairperson again and we are in the process of updating the Member Lists, as well as the Member Directory, on the website. Please note that membership is now from January through December, and you can sign up for either a one year or two year membership. Renewal notices will be sent by email as to avoid increasing postal costs and time spent addressing and mailing letters to all of our members. If you do not have an email address and need to have a paper notification sent, please notify us.

Also, please take time to go to the Member Directory on the website and update your information. Your mailing addresses are critical for you to receive the publications, Endocrine News and Endocrine Today.

If you have not been receiving these publications, please notify us so we can correct this. This is part of your membership dues.

We are planning a great program for the Annual Meeting in June, which will be held in San Diego. I hope you can all join us. The Endocrine Nurses Society is celebrating its 20th year as an organization. The Board looks forward to meeting all of you.

We also offer the Preceptor Program, which is open to all members. Information is listed on the website under the Education heading.

As we enter the New Year, there will also be a "Call for Nominations". Board positions that are

up for nomination include: President-Elect, Secretary, and Treasurer.

The Nomination and Ballots will all be posted online unless, again, you need these mailed to you. We must have this information as we do not want our members excluded from this process. Please see the nomination requirements listed on the website if you are interested in running for a Board seat.

Again, a Thank-you to all our members. We welcome any and all comments and questions. Please feel free to notify any of the Board Members. The Board Directory is listed on the Home Page.

Regards,

Lynn Coppolo

President ENS, 2010
